FOREWORD

Let's stop for a moment in time to muse over our "comings and goings" these last school years. What better place is there for reviewing them than the murals around the auditorium stage! Indeed, these murals depict all the phases of our lives here in school made possible by that firm foundation—the huge belching mills of our town, as seen in the lower left-hand corner—and our small community of average home-like houses, seen in the right hand corner. We realize now that we shall miss the culture and leisure that the vigorous figure in the very center offers us. Yes—here in school we could attain these. The murals present the various activities and studies with which we are able to secure a place in the National Honor Society and the Student Council, goals without end.

Yes! These are all to be had by each one of us. Doesn't the scene of liberty, equality, and fraternity prove that all of this can be ours through books? Man rises to unforeseen heights through study, through scientific research into which we are introduced by chemistry lab and through manipulation of hand skills. Long and hard have we struggled in the aprons we made in Home Economics, the perfect letter that the Commercial Department demands, the verb and conjugation in Latin, the authors and poets in English class, and even in drawing houses, cats, and straight lines in art class.

Let's look to the right of *Leisure* and down thru the right hand panel. Relaxation and enjoyment of social events certainly stand out in the mural. There is the gym apparatus, the piano on which we battered dance tunes, the proms and banquets we anticipated the whole year long. Remember the football and basketball games we attended, following our proud high stepping band to its invigorating beats. What gave us our desire to progress, to move up, to achieve the first in everything? What spurred us on? Our answer lies in the top right hand corner. Do you see it? *School Spirit!* That is one subject we'll never forget. No amount of time can erase it.

Each mural has become a cherished symbol of our education and the fun and joy that accompanies it. Not only does it pay tribute to the teachers and to the students, but it sets forth a pictorially written record of our school life in its curricular and extra-curricular activities. We are grateful to the far-seeing group who seventeen years ago began the exacting work of making the stencils. In 1933 Miss Dickey and Miss Burchfield, Midland School art directors, began this momentous piece of work, and three months later the project was completed with the assistance of Mr. Kaye and various students.

Time changes, man changes, but the murals stand solemnly as reminders of what we were and of what we might get to be.

BOARD OF EDUCATION

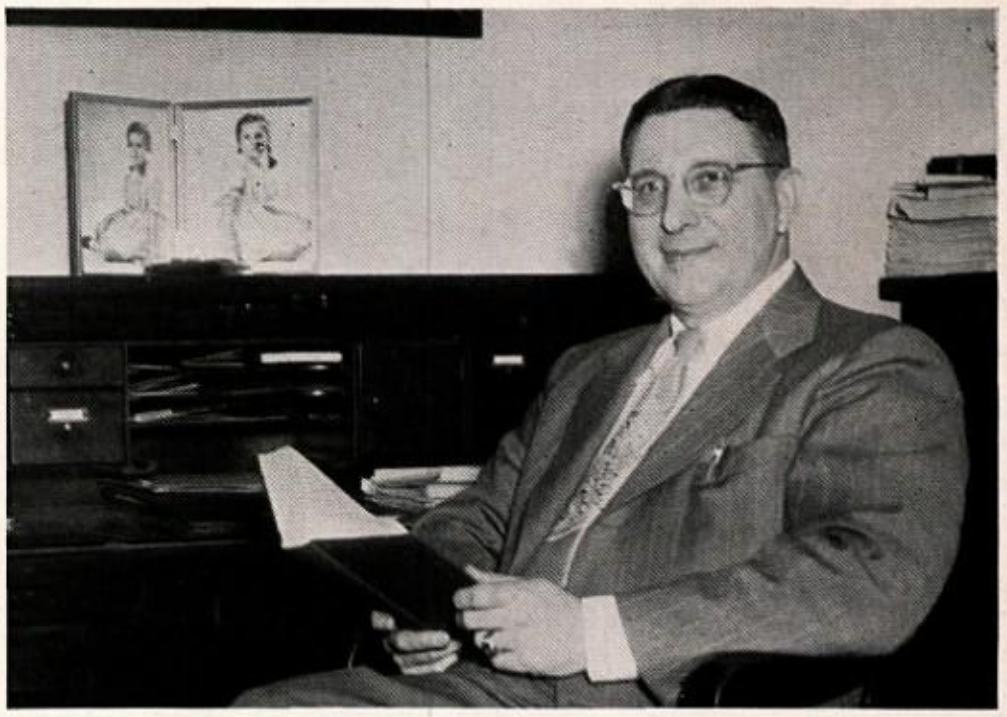
SUPERINTENDENT OF SCHOOLS

The Class of 1950 is to be commended for their efforts in producing this years' edition of Rodis. It will provide many pleasant memories for you in future years. May I wish for each member of the class a continued happy and successful life, and remember that most people do what they are requested to do but successful people do a little more.



RALPH H. JEWELL, B.A., M.Ed.

HIGH SCHOOL PRINCIPAL

DAVID A. SNYDER, B.S. in Ed., M.Ed.

It has been a great pleasure to work with and for the students and teachers of our high school during the 1949-50 school year. As I look back over my nineteen years of service in the public schools, I can recall no school accomplishments as deserving of praise as those of the student body of this year, now nearly completed. It is with a real feeling of pride that I congratulate you on your progress in democratic living.

ALMA MATER

Come students, let us sing and praise,
Rah, rah, rah, for Midland.
In chorus let our voices raise,
Rah, rah, rah, for Midland.
Our banner true is gold and blue,
To her is our allegiance due.
Her name we'll guard, her honor, too,
Hail to Alma Mater.

For Lincoln High we'll cheer and sing,
Rah, rah, rah, for Midland.
In triumph let our voices ring,
Rah, rah, rah, for Midland.
Upon Ohio's shore we strive
To Lincoln's mem'ry keep alive.
Till at life's goal we shall arrive,
We'll cheer for Alma Mater.

SENIOR HISTORY

At last the day, so long and anxiously awaited, had arrived! That feeling of well-being that proved to be our mainstay through the first day soon vanished when, much to our dismay, we found ourselves just Freshmen in the eyes of others. We managed to overcome it, and through our determined efforts, showed the upper classmen that we were newcomers of note.

Our Sophomore year found us as amateur salesmen, peddling peanut brittle to increase our financial status. The long-remembered highlight of the year was the Sophomore Hop and Reg's party afterwards.

In our role as Juniors we definitely began to show a self-imposed importance, for we felt that we were really a main cog in the machinery of the high school! Now our boys started to shine in athletics, and we couldn't be surpassed for scholarship. Again we reimbursed our purses with the sale of peanut brittle, which income went to finance the long-awaited prom, when we played hosts to the Seniors. Shakey and his crew began to work immediately after the theme, "In a Garden," was chosen. The advent of the prom necessitated the choosing of class colors. In this, as in other similar situations, we proved ourselves capable of unusual originality. By popular demand, lilac and silver was the final choice.

For the third consecutive year, we elected George to lead us to fame. Our senior year began with a bang as our football team swept to victory with Matt, Piffy, Brother, Ziggy, and Mole in the foreground. The closing of football season meant the approach of the Senior Dance, when the "Winter Wonderland" theme and Clyde Knight's music furnished a combination that will linger long in our memories. Our basketball team captured the Section Nine crown, thus making our sports record for the year an outstanding one. The conclusion of the semester led us to the realization that our school days were numbered. Now all was turmoil with exams, applications, I. Q. tests, etc. Everyone undertook some activity, whether dramatic, athletic, or social. "You Can't Take It With You" provided an ample outlet for our abundant profusion of wits.

Our activities reached the climax with the Senior Banquet, Baccalaureate, and Commencement. We can look back and truthfully say that we gained much from school, and we feel that we contributed to the school through our outstanding activities. We have proved the saying, "School days are the best days of your life."

Class of 1950

ADAMS, HELEN

312

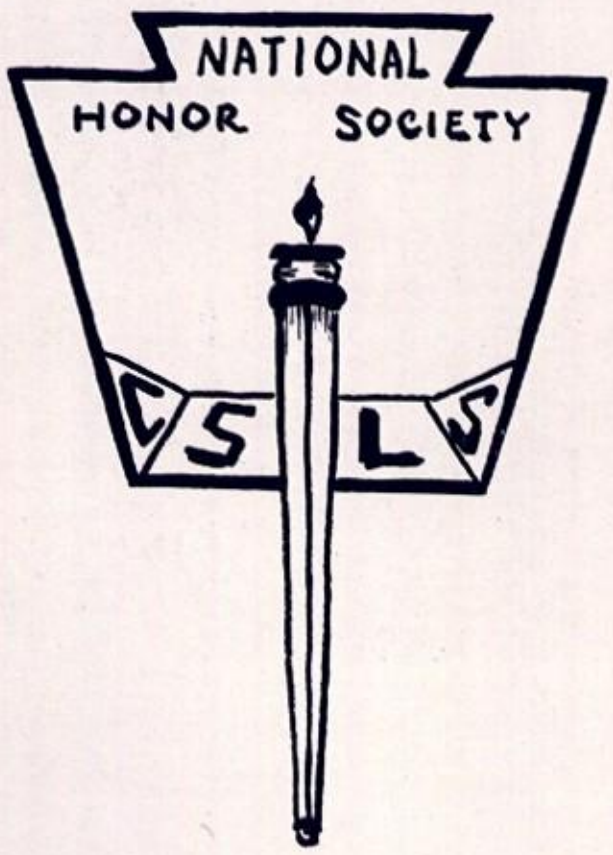
The National Honor Society, a society composed of Junior and Senior students, is founded not only upon scholarship but upon character, service, and leadership; each present and prospective member must meet and maintain these ideals. Attaining membership in the society is the highest scholastic honor an undergraduate can receive. The Society's many and varied activities were greatly increased this year. They contributed to the scholarship fund; and made and sold programs at the basketball games, and sold and distributed milk at lunch time.



True to their symbol, the flaming torch, the Society furthers scholarship by maintaining an honor plaque in the main hall and awarding a Scholastic Honor Banner each six weeks.

The Society's sponsor, Miss Milanovich, has led them in their meetings and monthly socials.

The Student Council is the student-composed governing body of the high school. Their officers are nominated by the homerooms and elected by the council. Each homeroom sends its president or representative to the meetings. It is not just an honorary but an active position to belong to this organization. This group represents the school's opinions, views, and activities.

Under Mr. Dean's guidance they are accomplishing immeasurable service to the student body, faculty, and school.

At Christmas time they bought and decorated a pine tree for the main hall; they awarded trophies to the best decorated rooms in the school; and they sold book covers. These are just a few of their many valued services.

The Newzette

The Newzette has progressed this year from a magazine-type paper to a newspaper-type edition. The staff has endeavored to carry out the motto that they have adopted—"To fulfill the desires and needs of the entire school."

Besides publishing the Newzette twice a month, the staff has been very active in other phases of school life. Six members represented Midland at a Journalism Conference in East Liverpool in January. In February, they sponsored the Heart Hop, which was a great success. The staff also worked for and achieved a membership in the National Student Press Association.

Congratulations are in order to the staff and their sponsor, Miss Fitzsimmons, for an activity that has benefited the whole school. It has been a pleasure for the staff to publish the Newzette and a pleasure for the students to read the Newzette.

Senior Dance

On November 18, 1949, our gym was transformed into a "Winter Wonderland" for the Annual Senior Dance.

A cascading candelabra of sparkling snowflakes and skating silhouettes, set off by a centerpiece of multi-colored balloons made a fitting background for the lovely music of Eddie Frazier and his orchestra.

The grand march began at 9:30 led by George Martich, the senior class president, and his partner, Mary Ann Majecie; followed by John Nuzzo, vice-president, and Frances Koczwara.

The couples were served refreshments placed on a beautifully ornamented table which also carried the theme of "Winter Wonderland."

Junior Prom

After months of anticipation and hard work, the long-looked-forward-to prom arrived on May 20.

The theme, "In a Garden," was chosen early in the year. Then the decorating committee, in charge of Shakey, began to work in earnest. Many long hours were spent on the scenery and other decorations; the results of which we were all proud.

This pleasant atmosphere, plus the music of Clyde Knight, provided all with a memorable evening.

Senior Play

The Seniors chose for their class play the well-known comedy, "You Can't Take It With You." It was presented to the public on March 17. Under the direction of Mr. Melvin Laing, the cast gave an admirable performance.

The plot centered around Grandpa, an eccentric old man, who dominated the household. Their life was one of entire freedom, which was a constant source of irritation to Alice, the granddaughter. All through the play the peculiarities of the characters provided ample amusement for the audience.

Junior Class Play

The Junior Class Play, "The Passing of the Third Floor Back," was presented on the 16th of December. The play was directed by Mr. Melvin Laing, assisted by Shirley Porter, Student Director. It was a very dramatic presentation, with the lead played by Eddie Baker, in the role of "The Stranger." He had come to the home of Mrs. Sharp, who ran a boarding house, and was considered mysterious, but as the story progressed, he brought happiness to the other guests of the boarding house. He had shown each one of them that he or she had a place in life. Betty Edmiston gave a splendid portrayal of a maid, who was dissatisfied with life. The play was very successful, and conveyed a lesson to its audience.

GIRLS Y CLUBS

The Girls' Y Clubs consist of the Jr. Tri-Hi-Y, sophomores; the Alpha Tri-Hi-Y, juniors; and the See Fi S, senior girls.

These clubs are service organizations whose purpose is, "To create, maintain, and extend throughout the school and community, high standards of Christian character."

Any girl having an average of 80 per cent or more, and wishing to be a part of one of these groups may belong.

This year has been an active season, both in the social and service fields. The members of the See Fi S made favors for the hospitals; during the Christmas season they held a merry yuletide party for the small children. The Jr. Tri-Hi-Y has undertaken a project to send money to the Roadside School (pictured below) in West Virginia; the school is in a poor district. The Alpha Hi-Y members have lent their services as usherettes for the evening High School entertainments.

Thus these girls are preparing for their future lives as the citizens of the community.

PATROLS

As the first bell rings, the hall is filled with boys and girls wearing blue and gold bands on their arms. On closer inspection, we find the band says Patrols. They rush to get on their posts, for their job is to see that the other students of Midland High get to their classes with the least possible effort and confusion.

The group is chosen from the senior class by the teachers and is under the direction of Mr. Lamberson.

Many think that all is required of a patrol is to leave a class early and arrive at the next one late. It requires much effort on the part of the Patrol to see that traffic moves smoothly. We applaud them for their fine work and service to their school.

LEADERS' CLUBS

The Leaders' Clubs are composed of three units: the Senior Girls' Leaders, Junior Girls' Leaders, and the Boys' Leaders.

Their main duty and service to the school is to assist in the gym classes. They do this by helping to referee student games, by assisting in instructing the classes in gymnastics, and by teaching and practicing good sportsmanship.

The clubs sponsored programs of intramural basketball in the fall of the year in which everyone entered enthusiastically. During the winter and spring seasons, volleyball programs were planned in the same successful manner. These games gave everyone a chance to participate in sports.

The Girls' Leaders meet every other Monday evening under the supervision of Miss Eugenia O'Hara. The Boys' Leaders are in charge of Mr. John Wilson.

VARSITY FOOTBALL

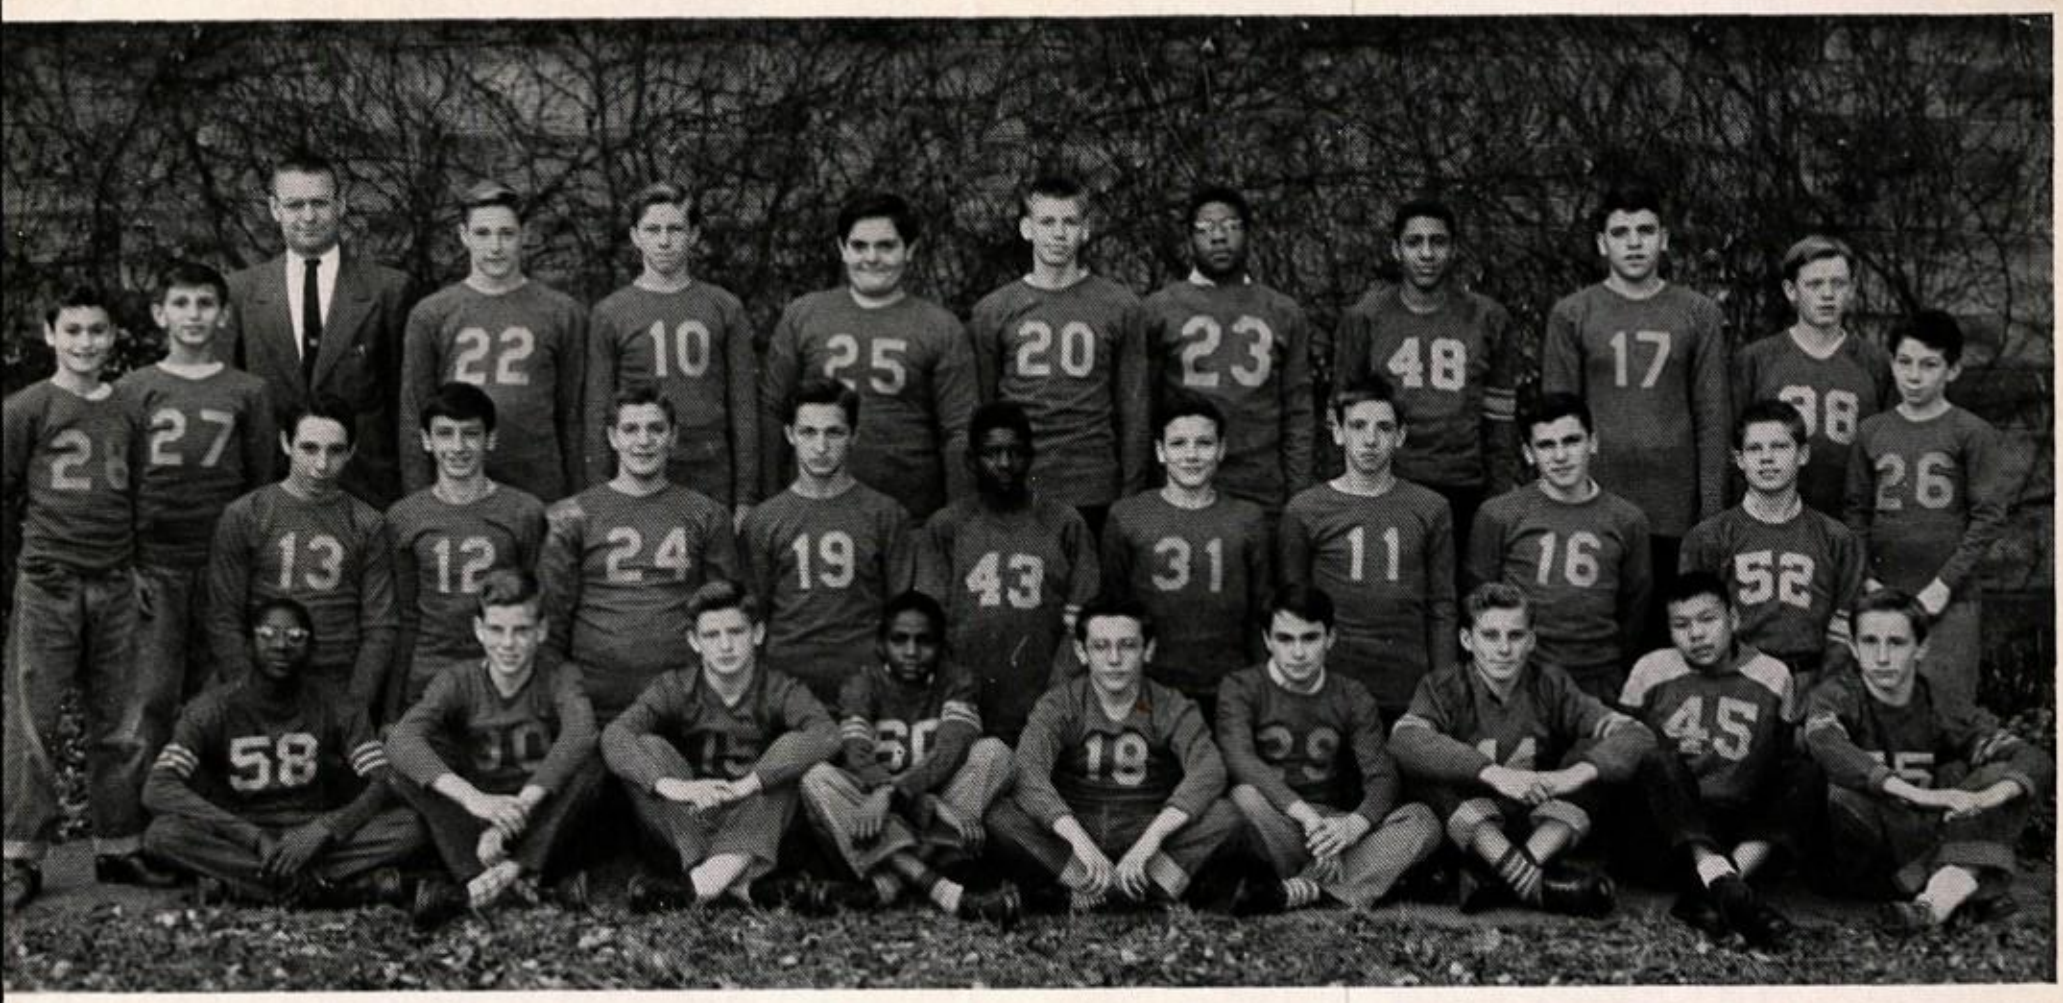
Under the expert tutelage of Jim Myers and his capable assistants, Ben Kaye and Gene Marshall, the Midland Leopards in 1949 roared back into Valley prominence. The Blue and Gold completed the season with an 8-1-1 total, the best record of any team in Beaver Valley. The only team to defeat the "Steel City" eleven was California, who later became champions of the W. P. I. A. L. According to the records, this is the finest team to represent Midland since 1940. Vicious blocking and tackling, and a complete understanding of fundamentals, enabled our boys to provide a brand of football, the second to none in the district.

In the past two years, Midland has emerged from a last place position to become a football leader in the Valley—may her success continue!

Seniors who have played their last game for Lincoln High include: Matt Yanosich, co-captain; Bob Zielinski, Dwane Doak, Melvin Mackall, co-captain; Bill Moss, Jim Rivetti, and John Byron. Two Juniors who will also finish their pigskin careers this year are George Allen and Bob Komara.

All of these boys will be missed next year as well as Steve Kasunich and Bruce Wynkoop, our hard working senior managers.

Matt Yanosich, co-captain of the team, was selected on the All-W. P. I. A. L. team in recognition of his outstanding ability and we wish "The Bull" the best of luck in his college career.



FIRST ROW: J. Dawson, J. Laing, B. Hibbard, E. Sallis, I. Francis, J. Stoll, W. McBride, B. Yee, J. Roach.

SECOND ROW: M. Stoll, I. Hapach, M. Karas, J. Crappio, W. Monac, N. Yanosich, H. Horace, S. Milkovich, J. Hall, M. Ungethuem, G. Misorski, D. Tonti.

THIRD ROW: Mr. Wilson, R. Blair, J. LeMasters, J. Zuppe, R. Lewis, C. Sallis, A. Alston, M. Gottlieb, H. Leonard.

JUNIOR HIGH FOOTBALL

The Junior High football squad, under the guidance of Coach John Wilson, worked many hard hours in preparation for their games. In their initial start at home, the Kittens took it on the nose from a much bigger East Liverpool team, 27-0, then to Monaca where the Junior Indians won, 41-6. At Beaver the Midlanders broke into the win column shutting out the Bobcats 13-0. In their final tussle at Ambridge, the Kittens were conquered 26-0. "Bucky" Ungethuem proved himself a fine kicker and passer, and Mike Karas was found to be a dependable ball-passer. John Stoll showed the way among the linemen. With several boys returning next year, the team is anticipating a winning season.

GIRLS' VOLLEYBALL

The Tri-State Area Volleyball League is composed of teams from high schools from West Virginia, Ohio, and Pennsylvania. The teams met every Wednesday night at the Y. M. C. A. in East Liverpool, Ohio, for the ten weeks during the season.

Liverpool emerged the victors at the play-offs and as the champs received the league trophy.

An all-star team was chosen, with two members from each school selected to represent that school. Dorothy Rajak and Joyce Adkins were chosen for the Midland delegation.

This League provides Midland girls with an opportunity to compete with other schools in girls' athletics.

VARSITY BASKETBALL

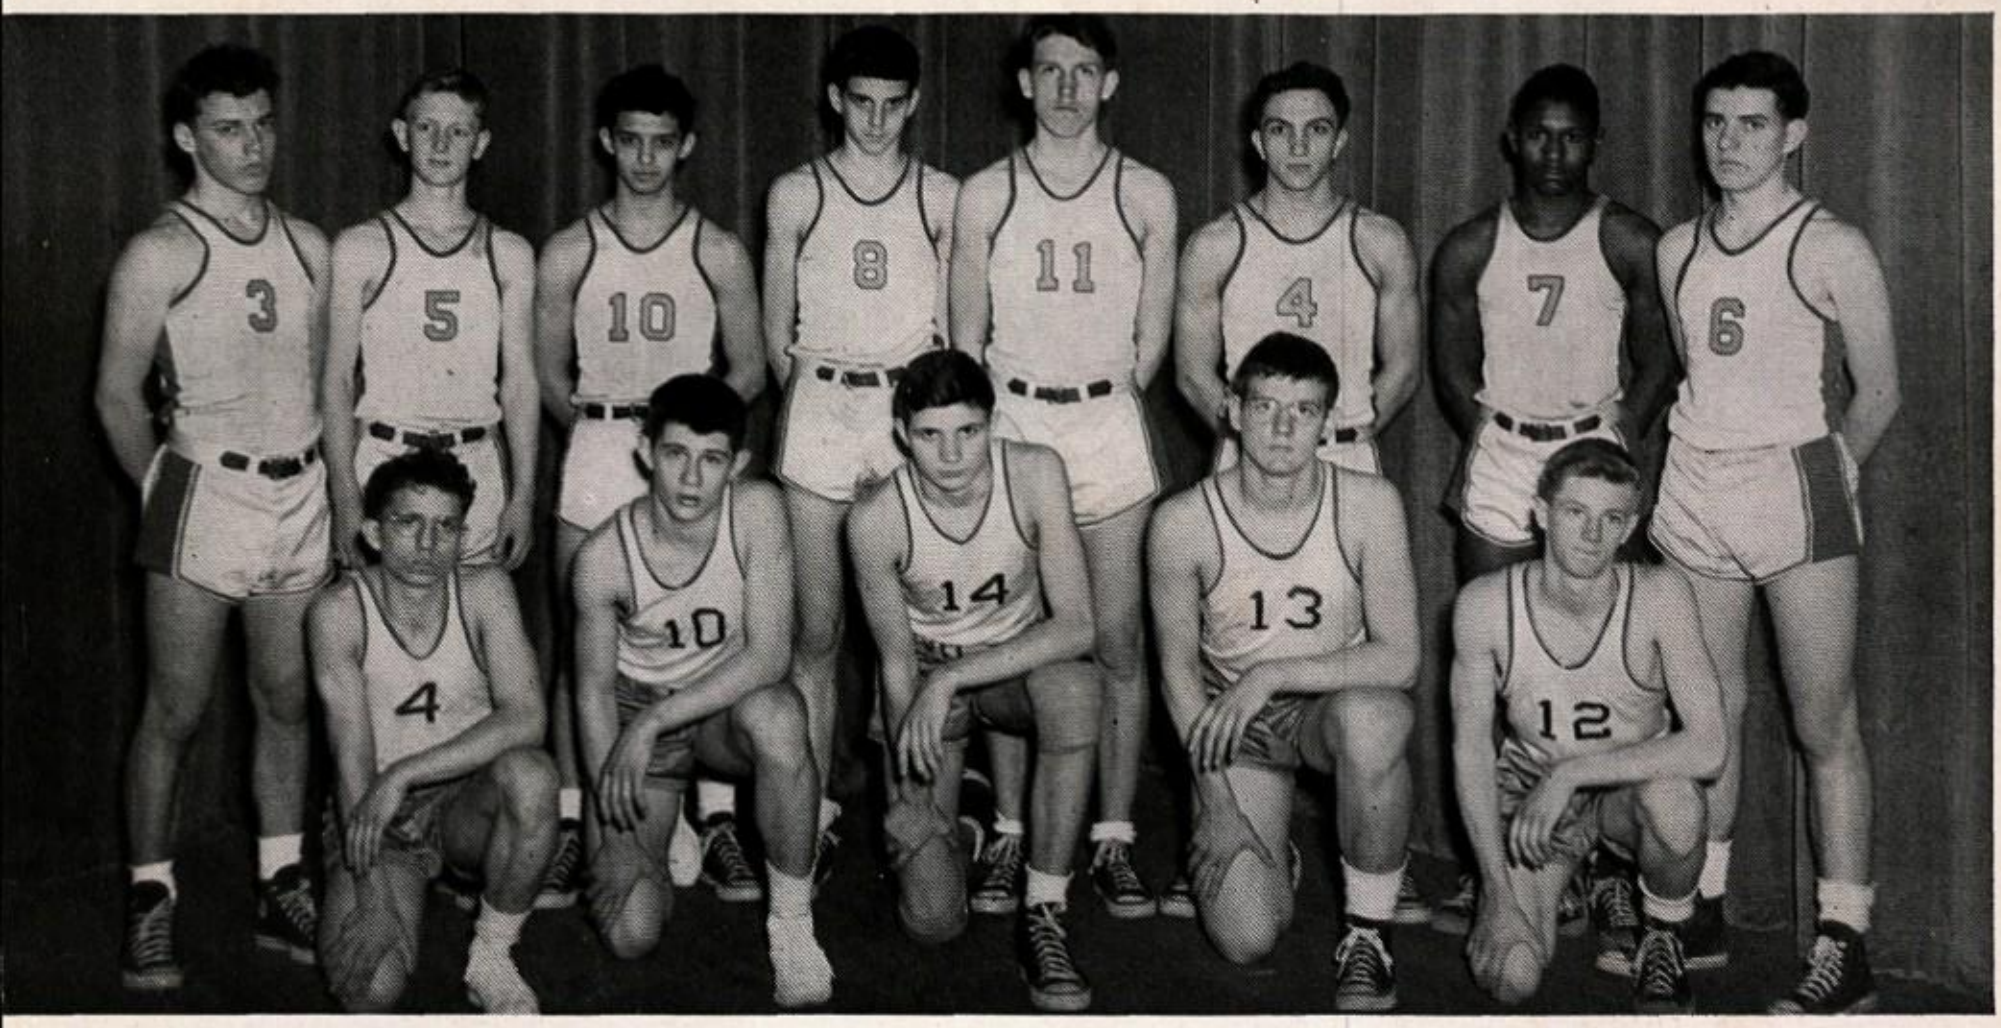
With only two lettermen returning from last year's Section 9 winners and W. P. I. A. L. semi-finalists, the Leopards had faint hope of retaining their crown.

However, the Midland Cagers warmed up in defense of their title by registering seven victories in ten pre-season games against strong opponents. A league record of nine wins and only one defeat clinched the Section 9 title for the second consecutive time.

With a slow deliberate "possession" type of offense developed by the coaching of Wilbur Dershimer and his assistant, Edward Bouldin, the Leopards withstood the challenge of all sectional opponents. Accurate shooting by Dick Black, especially from the outside, with a tight defense by "ball-hawk" Gene Mullen and Anthony Bernardi were main factors in Midland's triumph. George Allen, veteran center, came through brilliantly in his board work and point-making. In his first year on varsity, Frenchie Radella proved a threat because of his ambidextrous shooting ability. Sixth man Frank Doyle was an effective sub in any position. The high lights of the season were the two defeats administered to Monaca, the pre-season favorites, and the victory over New Brighton in their second meeting of the year.

In W. P. I. A. L. play-offs the Section 9 champs were defeated in the first round at Pitt Stadium by Brentwood by the score of 33-31. During the season the team played twenty-three games, sixteen resulting in victories.

With five lettermen, Bernardi, Radella, Gibson, Reider, and Yukica, returning for next year's squad we hope that the Leopards may once again travel to Pitt Stadium and victory.



FIRST ROW: A. Bernardi, A. Krivoshia, S. Yukica, E. Martell, F. Timblin.
SECOND ROW: T. Lindsay, R. Kaiser, D. Petkovic, J. Murphy, H. Kovalesky, W. Davis, C. Stewart, P. Farnan.

RESERVE BASKETBALL

This year, under the direction of Coach Edward Bouldin, the Midland Reserves built up a fine record of 13 wins and 7 losses.

In compiling this record, Coach Bouldin utilized his players in every possible way. The Reserves did not have a "first five" and this enabled each player to gain valuable playing experience necessary to fill open varsity spots, which is the aim of every good Reserve team.

A. Bernardi and S. Yukica were shifted to the Varsity Squad during the season. Many of the other reserves also saw action with the varsity.

JUNIOR HIGH BASKETBALL

For a school to have two champions is a true accomplishment and that's just what Lincoln High had this year as the Junior High, under the guidance of Coach John Wilson, won the Section 14 title. The Kittens won their title by taking 10 straight games without a loss. In compiling their 10-0 record they defeated every team in the league twice. In the Junior W. P. I. A. L. play-offs, the Kittens were eliminated by Conway, 25-24, in a thrilling game at New Brighton.

Members of the first team were D. Lewis, M. Karas, B. Hibbard, M. Ungethuem, and L. Tepsic. Leading substitute roles were filled by F. Wain (sixth man), S. Matteo, C. Sallis. Other subs were: M. Kosanovich, N. Tepavich, and L. White, and F. Rosa. All in all the freshmen record was 14 wins and 5 losses.

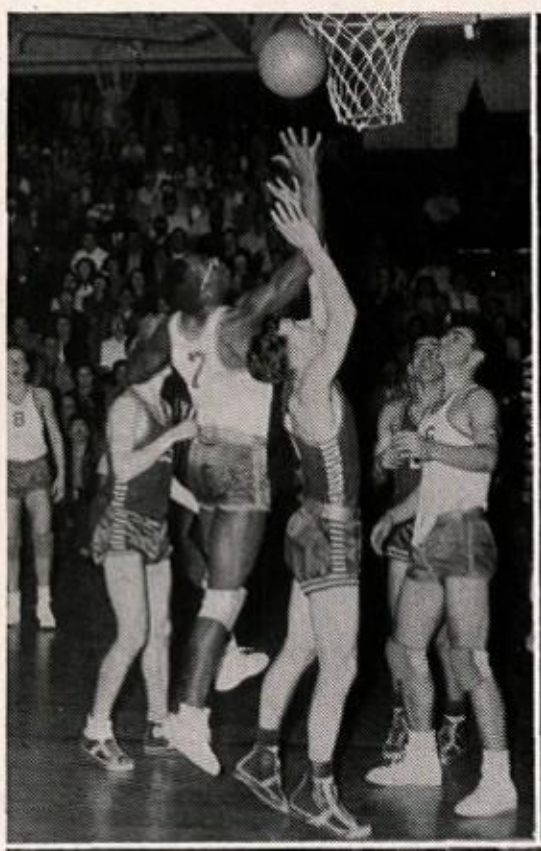
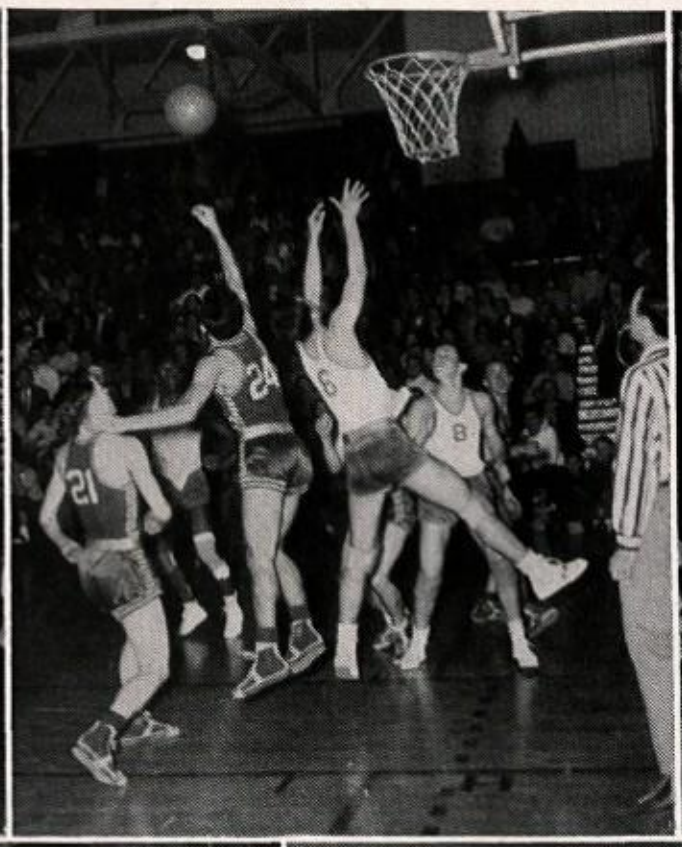
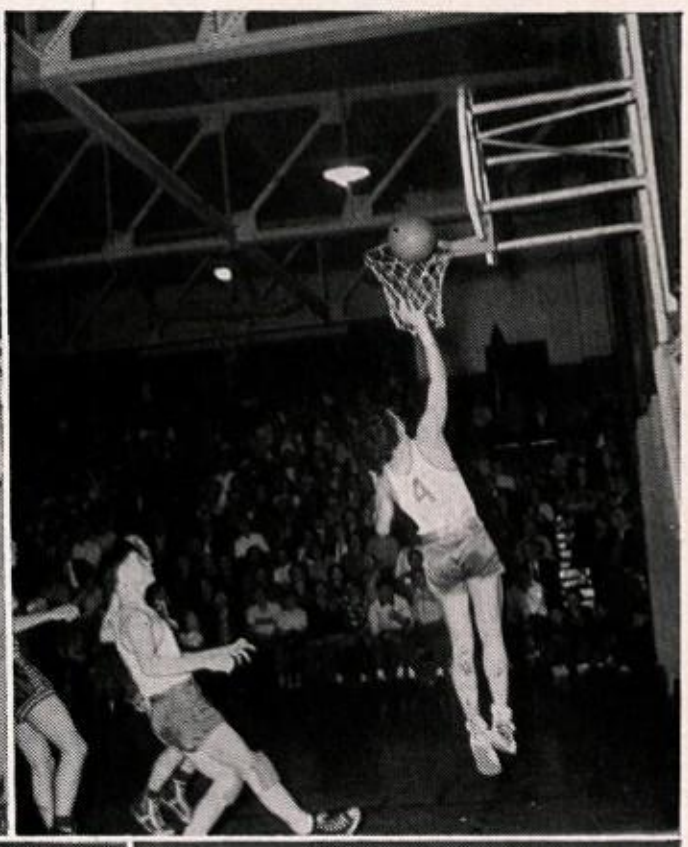
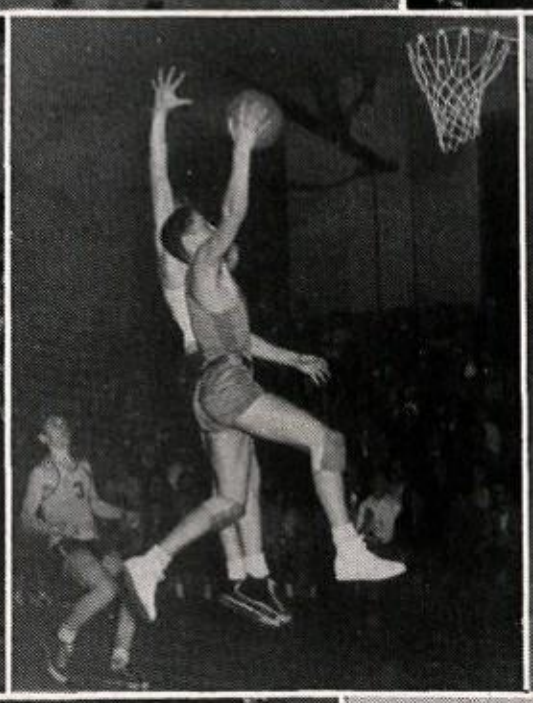
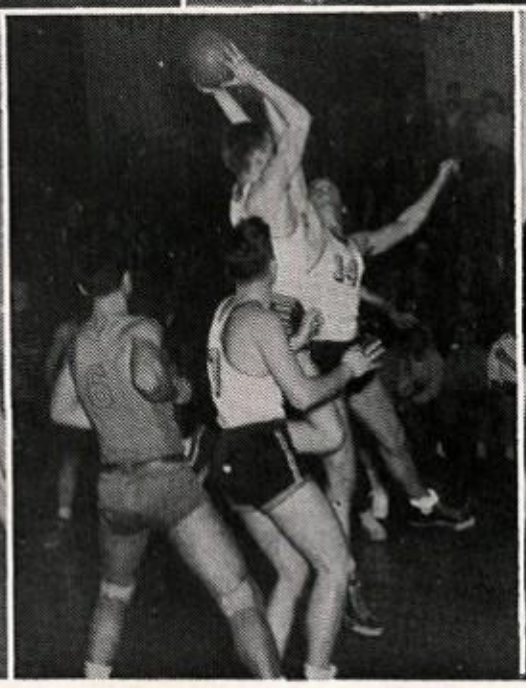
BASKETBALL SEASON











INFORMALS

FIRST ROW: N. Simoni, B. Glass, B. Shamp, M. Mackall, M. Yanosich, E. McGoye, E. Kitson, T. Hough, D. Reider, G. Arndt.

SECOND ROW: R. Wise, K. Breckenridge, D. Kaiser, H. Yute, J. Gibson, R. Duffy, L. McCauley, D. Black, D. Doak, D. Glass, J. Howell, H. White, Mr. Wilson.

W.P.I.A.L. SECTION 9 BASEBALL CHAMPIONS

After a brilliant season of nine wins and four losses, the Leopards fought their way to the Section 9 Championship. With McCauley, Yanosich, Black, McGoye, Doak, D. Glass, Duffy, Howell, and Mackall as a regular starting line-up, the team reached the play-offs in which they bowed to Ambridge, 5-0. This marked Coach Wilson's second section winner in four years at Midland.

McCauley carried the pitching chores behind the good hitting of his teammates. Matt Yanosich was the County's batting champ with a league average of .444 and an all-game average of .686.

Lettermen Black, Doak, Mackall, and Yanosich are back this year as regulars. Reider, Shamp, Arndt, Gibson, and Kaiser, who saw action last year, will have the job of filling the first positions. We hope our baseball team will end our sports activities of the 1949-50 season with another championship team.

Time has come, dear friends,
To bid adieu to you, dear friends.
All thru the years life's been gay,
And in our hearts we wish that we could stay.
Now the end draws near,
Commencement time will soon be here.
Then we'll leave you with a sigh,
And with tear drops in our eyes
We'll be whispering our last goodbye.
